The screenshot displays the Jenkins web interface for a job named 'Job1'. The top navigation bar includes the Jenkins logo, a search bar, and user information for 'admin'. The main content area shows the job's status as 'First Job1' with a green checkmark icon. Below this, there are sections for 'Downstream Projects' (listing 'Job2') and 'Permalinks' (providing links to the last build, last stable build, last successful build, and last completed build). The left sidebar offers various actions for the job, such as 'Status', 'Changes', 'Workspace', 'Build Now', 'Configure', and 'Delete Project'. The bottom of the image shows the browser's address bar with the URL '4.188.80.233:8080/job/job1/build?token=123'.
